

## **ECOP 6**

### **October 2nd 16.45-17.30 Activity of the 'Young professionals' group in ECO**

Speaker: Mikael Daouphars, France & Stavroula Chante, UK

Chairperson: Milena Nikolovska, North Macedonia

#### **Abstract:**

This session will be focusing on the current activities within the Young Cancer Professionals Group of the European Cancer Organisation (ECO). The group undertakes various activities to support the growth and development of young professionals in the field of cancer. These activities are designed to enhance education, foster networking, promote research, and advocate for the needs of young oncologists. Educational sessions, networking events, mentorship opportunities, research and leadership initiatives, support groups and international collaborations are few of the objectives of the group, aiming towards its further growth and sustainability. These activities aim to create a supportive and enriching environment for young cancer professionals, ensuring they have the necessary resources, opportunities, and guidance to excel in their careers and contribute significantly to the field of cancer.
